TO WHOM IT MAY CONCERN

This is to certify that Ms. Pawandeep Kaur has been working as a Business Information System Manager in our institute since October 2019 till date.

Her roles and responsibilities are:

- Keep up to date with the latest updates in underlying technologies
- Provide secure access to the network for remote users
- Secure data from internal and external attack
- Offer users appropriate support and advice
- Mentor and train new IT support staff
- Contribute to organizational policy regarding quality standards and strategic planning.
- Ensuring software licensing laws are followed

I wish her all the best for her future.

Sincerely,

Riya Srivastava
